

Storyboard Robo-Walrus PAGE 1

Think cartoon show intro's from the early 90's....Thundercats, Bucky O'Hare, Ninja Turtles, Inhumanoids, but more than a little silly.

WILLIAM BUNGUS
(Bungus dripping)

ROBO WALRUS
(some lens flare on ROBO)

Curtains open
camera moves FWD through forest

Camera continues FWD toward
professors lab.

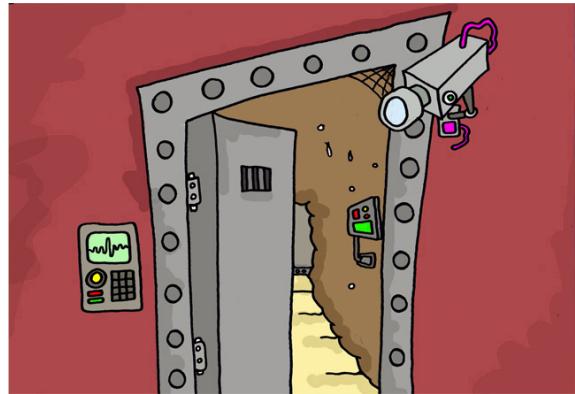

Camera moves through fence to
front door

Doors swing open ...camera continues
FWD

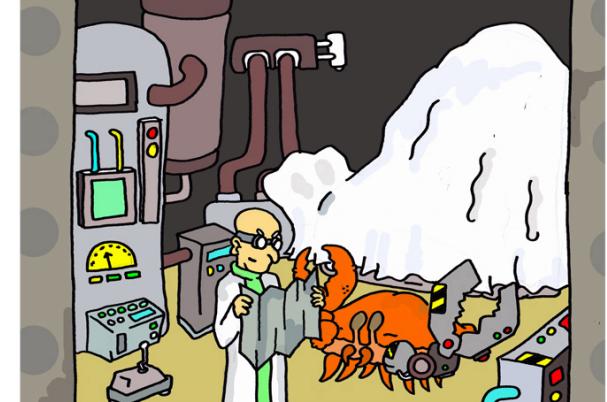

Storyboard Robo-Walrus PAGE 2

Camera moves FWD to door which swings open

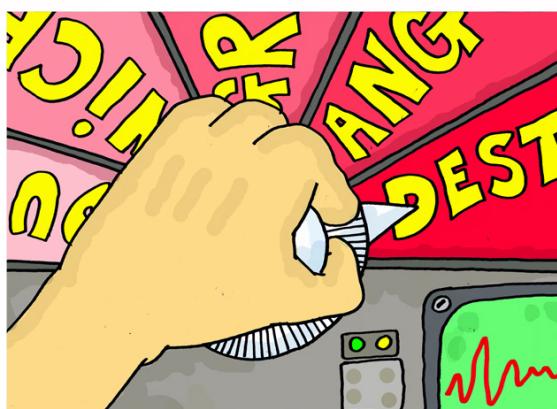

Continue down tunnel to heavy steel door

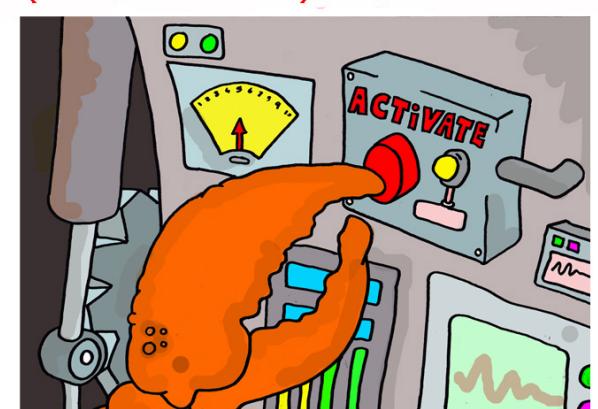

Doors slide open and we enter a lab (wide shot of room)

Close-in on crab and Prof. laughing maniacally as they read their plans

Close up of a hand turning switch to 'Destroy'...

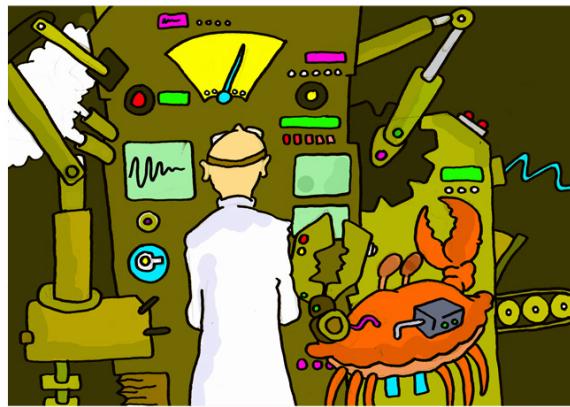

Close up of Crab claw pushing Activate.

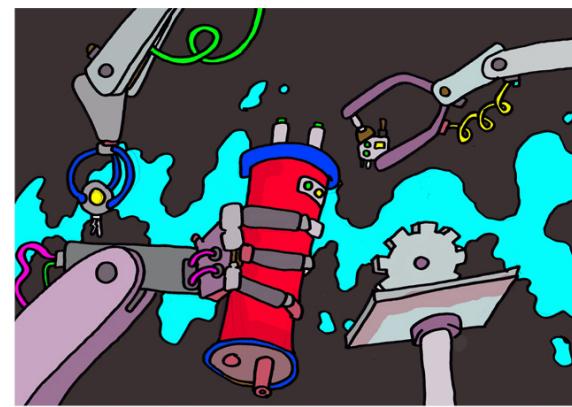

Storyboard Robo-Walrus PAGE 3

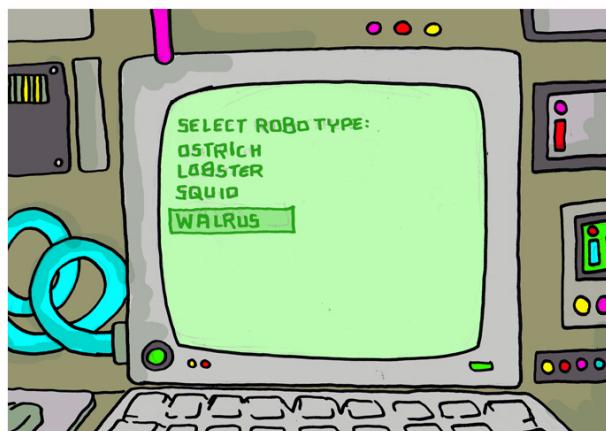

Mid shot of prof rubbing his hands

Reverse shot panning up of Prof. + crab looking up at complex machine as it activates

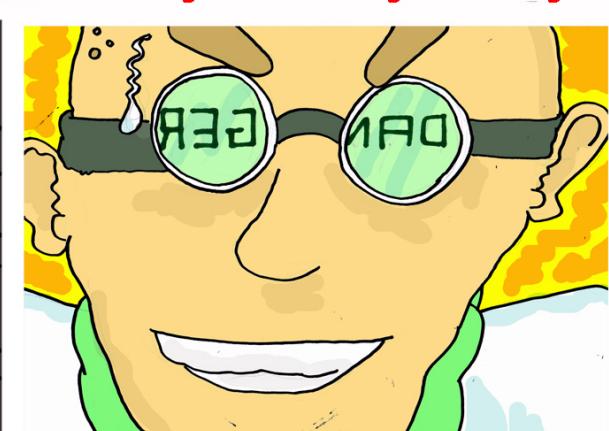

Robotic arms move things around as though constructing something

Close up of computer screen... cursor selects 'WALRUS'

Dramatic shot of finger hitting enter

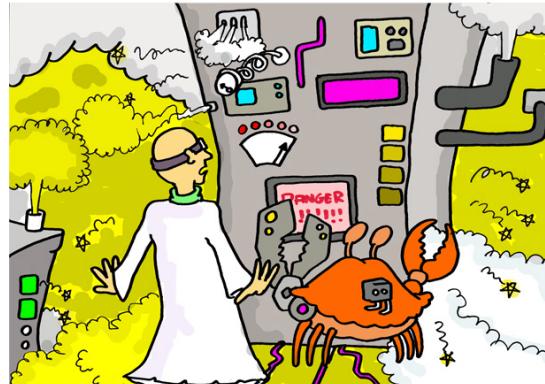

Close up Prof., smile spreading on his face 'DANGER' reflected in his glasses

Storyboard Robo-Walrus PAGE 4

Prof. & Crab turn to look at eachother as screen flashes 'DANGER'

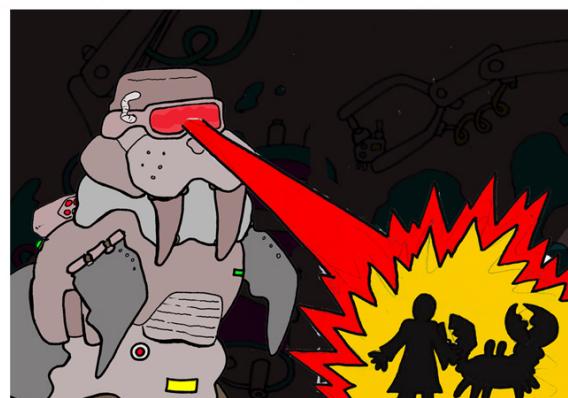

Smoke pumps out of machine... camera pulls back...smoke fills creen

smoke clears to reaveal Robo Walrus (RW)

Pull back, over head shot looking down on Prof. & crab

RW shoots them with his lazer.

almost static shot...smoke rises from prof. & cooked crab

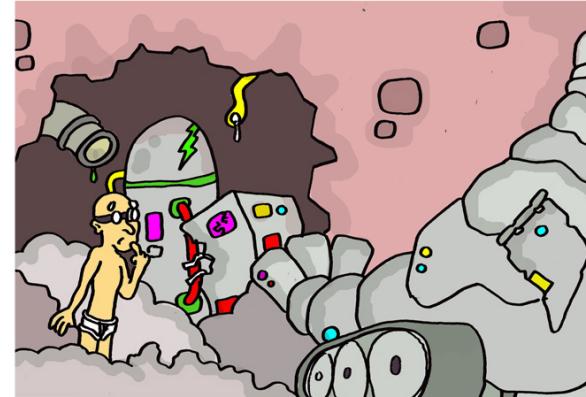

Storyboard Robo-Walrus PAGE 5

static shot wall as it is blown up from inside

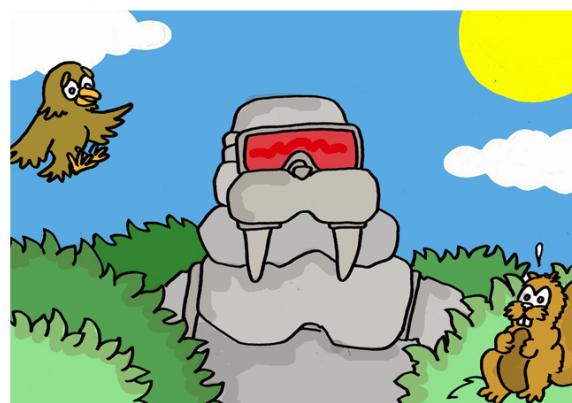

cut to: RW caterpillar tracks revving up and he rolls forward...

RW rolls out of hole in the wall

CUT TO: Animals scattering as camera travels backwards RW shadow travels FWD in background.....

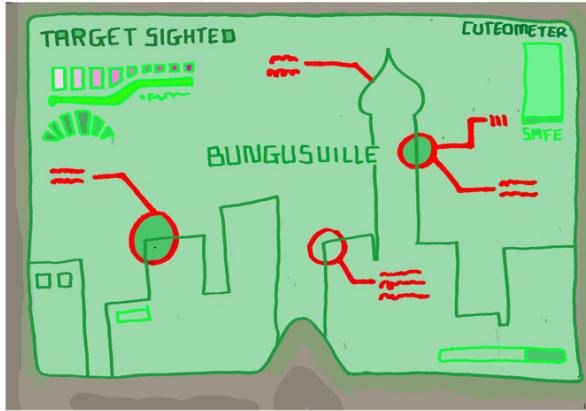

Camera pans up to above trees and we see RW head...camera continues travelling backwards

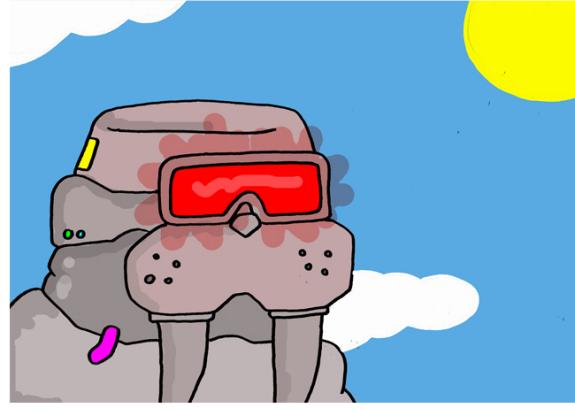

Cut to a plateau...RW pulls up and stops...CITY in the distance.

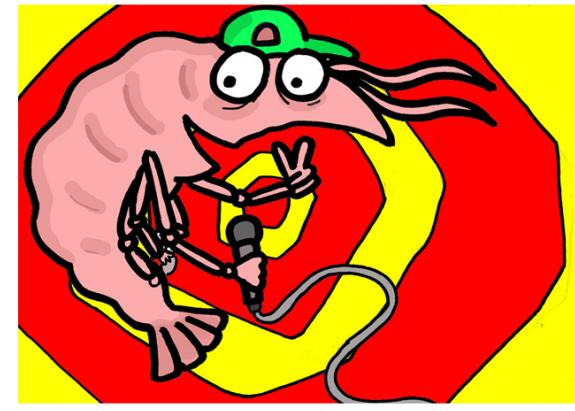

Storyboard Robo-Walrus PAGE 6

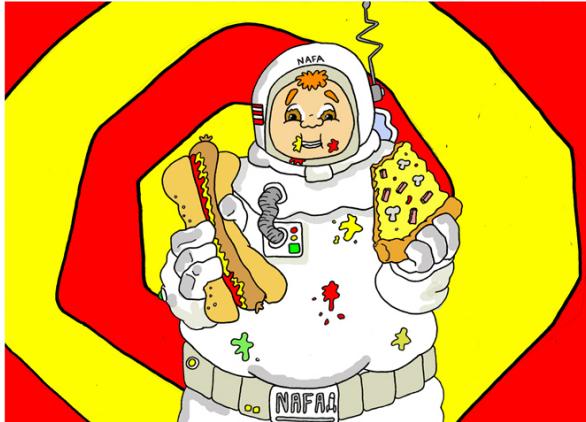

CUT TO: inside RW...he scans sky line

Close-in on RW head as his Visor starts to glow red...

CUT TO: Prawn Paul, lots of movement, background spins

Gastronaut appears to say 'Bungus'...

Dorka the Orca appears to say 'Bungus'

Sea Cucumber Girl appears (she has no mouth so can't speak)

Storyboard Robo-Walrus PAGE 7

Prawn Paul finishes rap...gets very close to screen

CUT TO: Billy+Sea Cucumber walking down the street

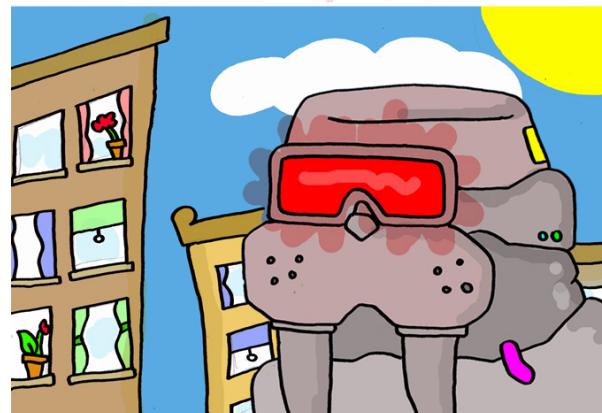

They look up as ominous shadow creeps over them

Wide shot of RW rolling into street...
people run..(Billy stares up at it)

Tight crowd shot of people scrambling....
RW in background...

Close-up of RW head...
Visor starts to glow as he warms lazer

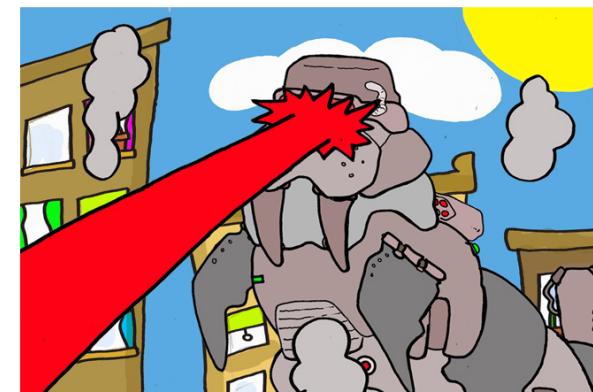

Storyboard Robo-Walrus PAGE 8

Wide shot of RW causing cartoon destruction (no humans injured!!)

CUT TO: Ostrich running in fear as things explode around him

CUT TO: RW Shooting with his lazer beam

CUT BACK: Ostrich is now a giant roast Chicken

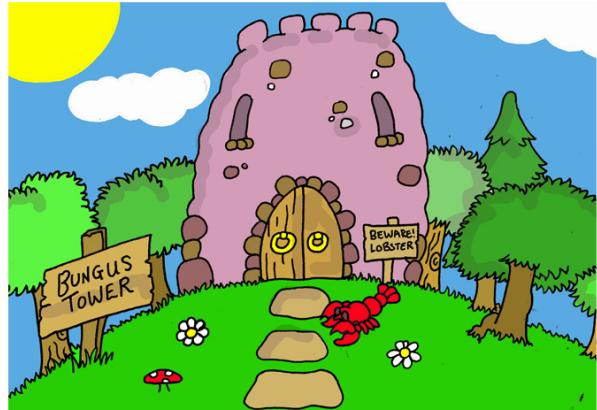

CUT TO: Billy pulls out his phone and starts dialling...

CLOSE-UP: Billys phone in his hand
Presses 'CALL BUNGUS EMERGENCY
HOT LINE'

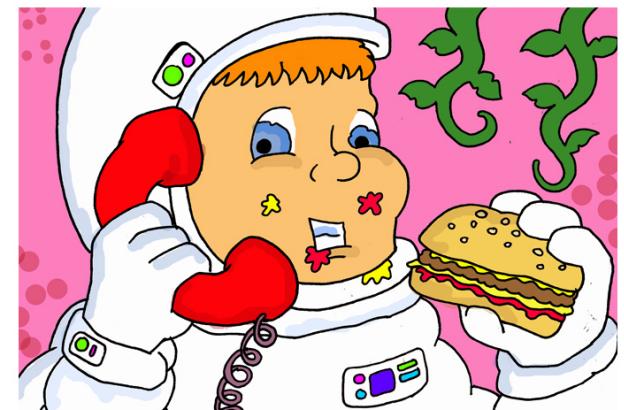

Storyboard Robo-Walrus PAGE 9

CUT TO: Bungus Tower, serene country side

Inside tower ...phone rings.

It is answered by fat Astronaut (Gastronaut)

Close up of hand pressing button labelled 'RELEASE LOBSQUITCH'

CUT TO: Bungus Tower as tentacles and claws start rising out of top and windows

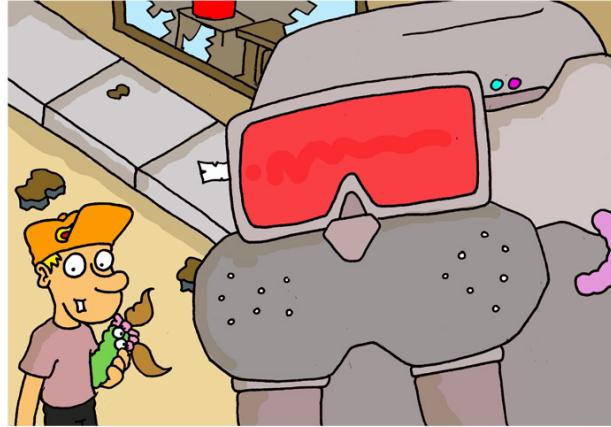

CUT TO: Billy and Sea Cucumber, Shot from over RW's shoulder..cowering in fear as it bears down on them.

Storyboard Robo-Walrus PAGE 10

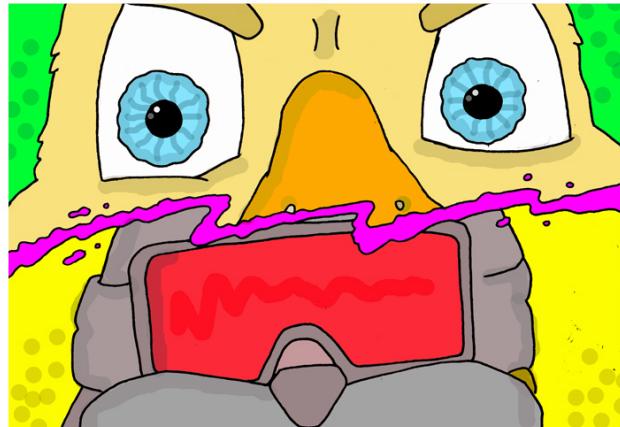

CUT TO: Lobsquitch head 'Squarking'

RW turns to see where the noise came from
Billy & Sea Cucumber look relieved...

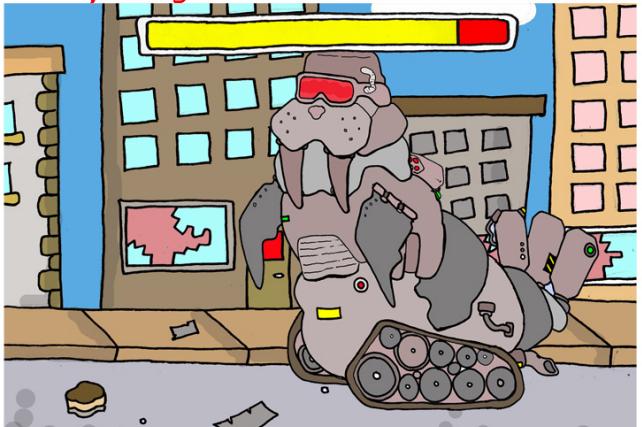

Wide shot of Lobsquitch looking strong & ready to fight

Manga style split screen of RW & Lobsquitch eyes as they lock glares

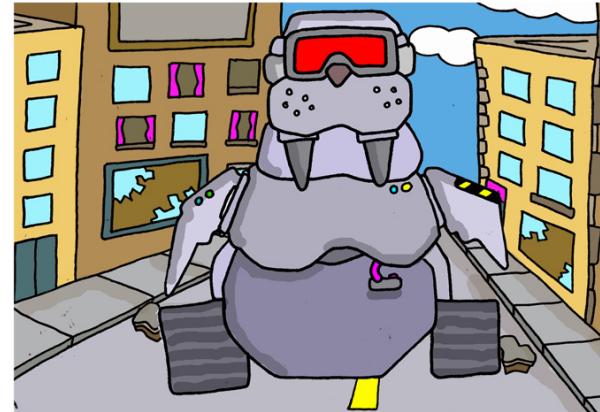

Long panning shot of street...in the style of Street Fighter 2 , as they prepare to do battleenergy bars appear....

Storyboard Robo-Walrus PAGE 11

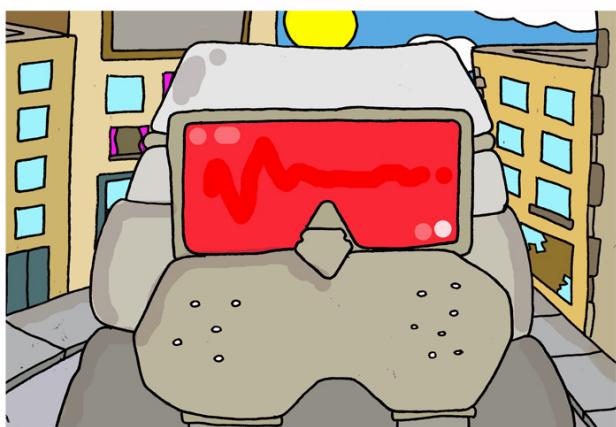

Pan up Lobsquitch....

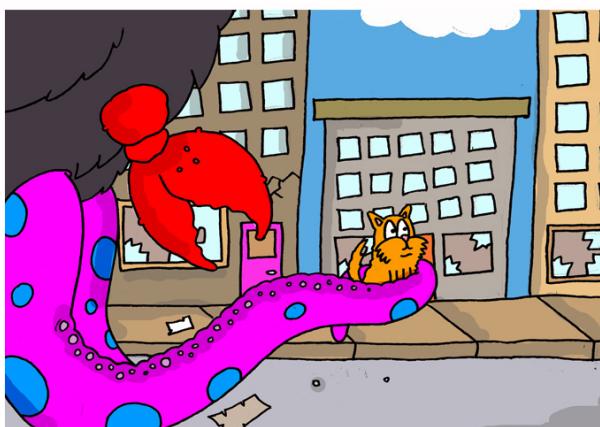

Pan up Robo Walrus...

Close-up of Lobsquitch face..eyebrows concentrate and eyes narrow.

Close-up of RW face...Visor starts glowing red as lazer warms up preparing for battle.

side on....Lobsquitch tentacle pulls out a kitten...

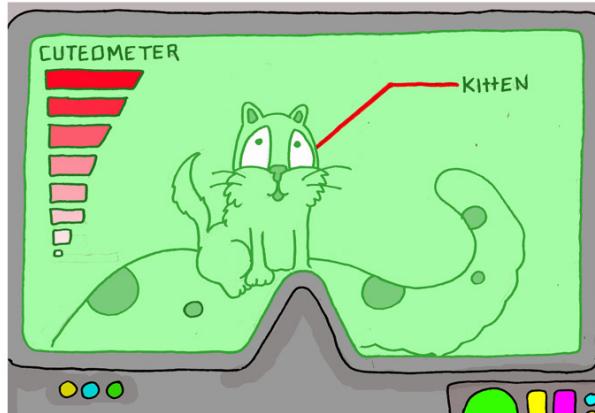

FRONT ON: Lobsquitch pulls up kitten to eye level

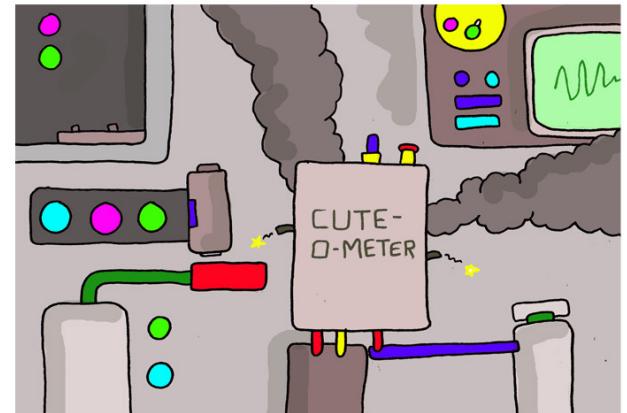

Storyboard Robo-Walrus PAGE 12

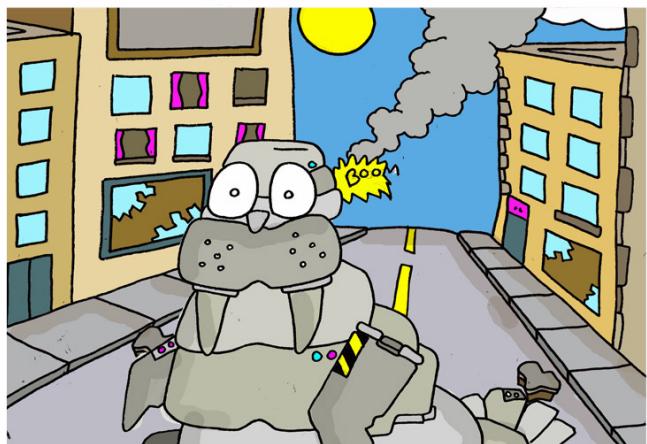

REVERSE ANGLE; Kitten is shown to RW

INTERNAL VIEW OF RW: he scans the Kitten...

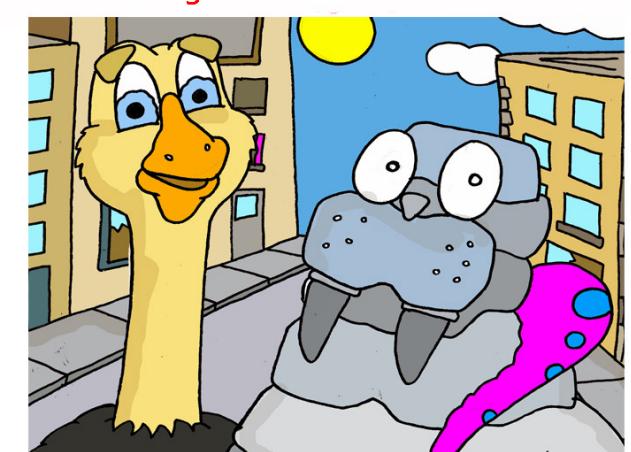

Inside his head...his Cute-O-Meter chip starts smoking as it malfunctions.

Wide shot of RW as his chip explodes and his face becomes more friendly.

Wide shot of Lobsquitch and RW as they clean up city...

Head & Shoulders shot of RW & Lobsquitch as best buddys

Storyboard Robo-Walrus PAGE 13

Curtain closes on them...

'FIN' written on one of the RW's fins
