SCENE 1:Ext, Pastrami Wasabi

c/u of Billy (holding wrong implements)

BILLY (to himself)

...don't screw up, don't screw up, don't screw up...

TONY appears over Billy's shoulder,
startling him...he drops what he is holding

TONY
BILLY! MY office...NOW!!!

Int: Tony's office

TONY

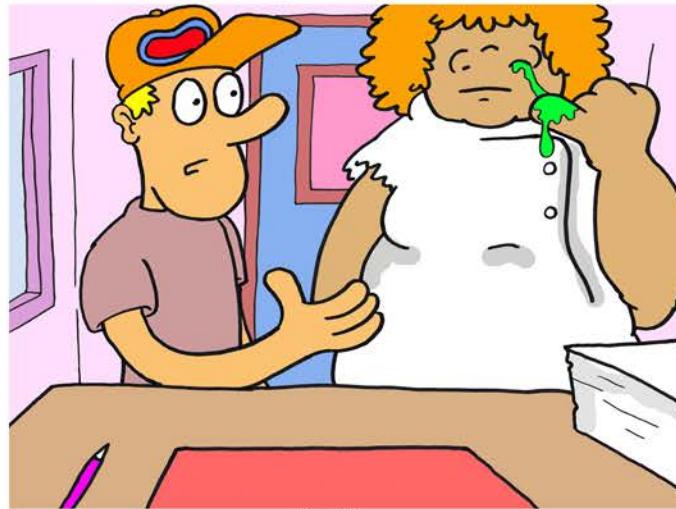

Well it was a close run thing...but unfortunately I had to make a decision...
and I have gone with the one I feel is most dedicated to cleanliness and
hygiene...the new head dish washer at Pastrami Wasabi's is...

BILLY (to himself or some higher power)
please...please...please...

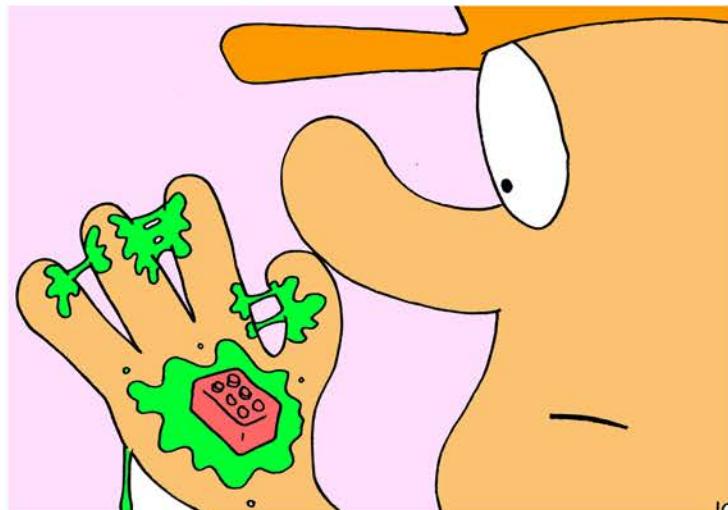

Camera pulls back to reveal SLOUCH

BILLY
(to TONY)..sigh...well I appreciate your consideration sir.
(turning to SLOUCH) congratulations Slouch.
offers a handshake

He shakes his finger because his hand is so big...
which he has just pulled from his nose

He examines his palm and finds a lego block from up
Slouch' nose...

TONY
...hey Billy! Don't look so down, there'll be other opportunities...I'll need a new guy to clean out the grease trap soon...
(whispers conspiratorially)...Diego's getting a little sloppy...

camera pulls back to show Billy following Tony's gaze

CUT TO: man (Diego) asleep face down in the grease trap.
Little bubbles of fat gloop up to the surface so we know
he is alive

CUT BACK: BILLY looking disgusted

TONY

Here, I'll let you have this prototype tuna, pepperoni,
salami egg roll...as a consolation prize!

TONY passes it to BILLY

BILLY regards it with a yuck

BILLY goes to leave, TONY shouts after him

TONY (off camera)

See ya tomorrow at 6 Billy..hey...don't be late...

TONY

...you've got to impress your new boss.
Slouch punches his fist with a grunt

EXT: Alley behind Pastrami Wasabi

Billy walks out into the alley with a sigh

He goes to eat the prototype sushi

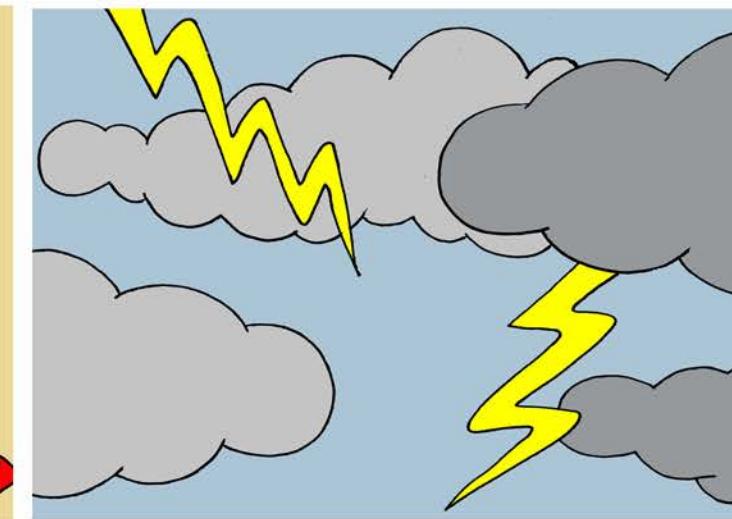

Suddenly a cat jumps up and steals it as he is about to put it in his mouth.

Billy looks dejected as the cat walks away happily munching on his sushi.

BILLY

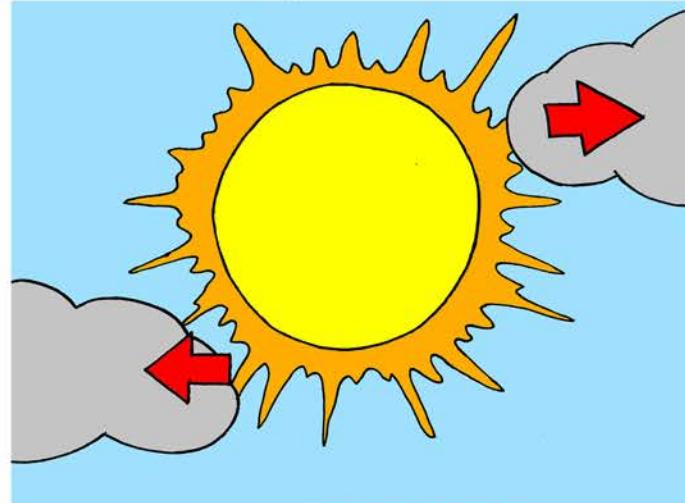

Darn it!...is anything going to go right for me today!

CUT TO: shot of the sky, thunder clouds rapidly form and lightning strikes.

CUT BACK TO BILLY, it starts to rain.
He lets out a frustrated sigh

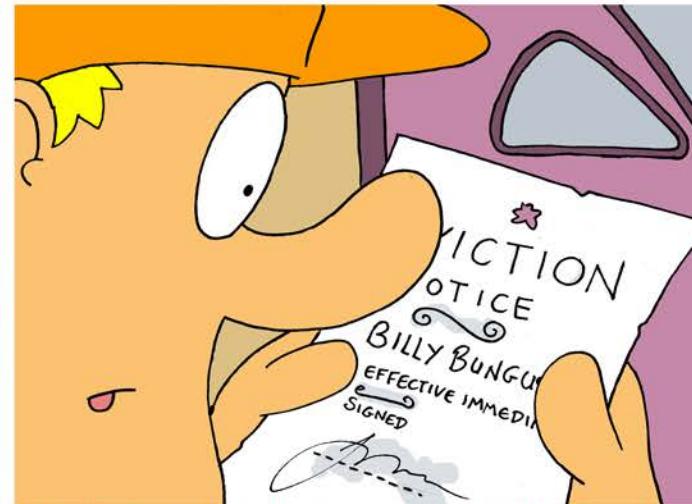

CUT TO: The sky. Suddenly the clouds part
and a brilliant sunshine bursts through

CUT BACK TO BILLY: Because of the sun and his dampness
his clothes instantly shrink with an uncomfortable
stretching sound

EXT: BILLY'S NOW FORMER RESIDENCE
Billy approaches the front of his apartment building
in his shrunken clothes

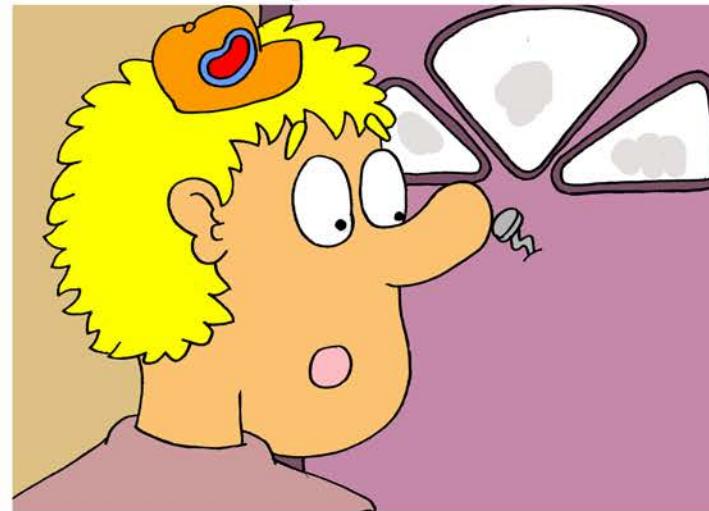

On the front of his door is a note stuck to his door, he pulls
it off and reads it:

EVICTION NOTICE : BILLY BUNGUS
BILLY
...ah man...

BILLY is shocked and angry and calls up to the top window.

BILLY
What about my stuff!!??

A burly looking man appears at the top window and shouts back

Billy looks towards the trash cans...

...the same cat that stole his sushi is now throwing it up all over Billy's stuff!

MAN AT WINDOW

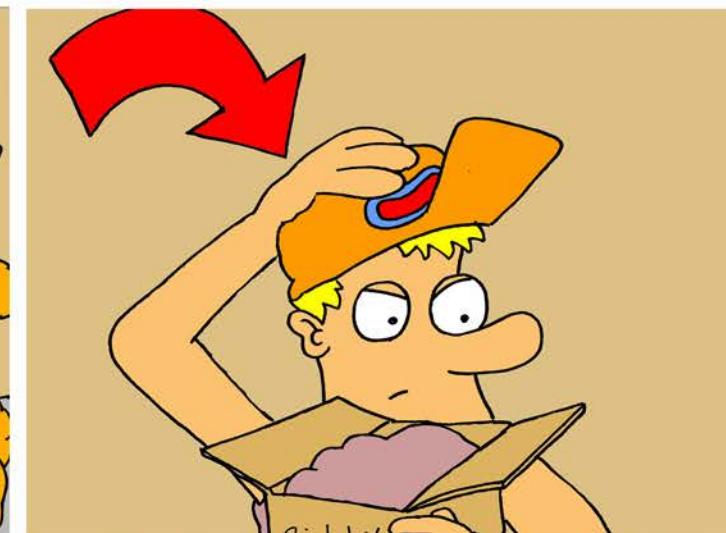

nice clothes!...it's all by the garbage. Ya' dead beat.

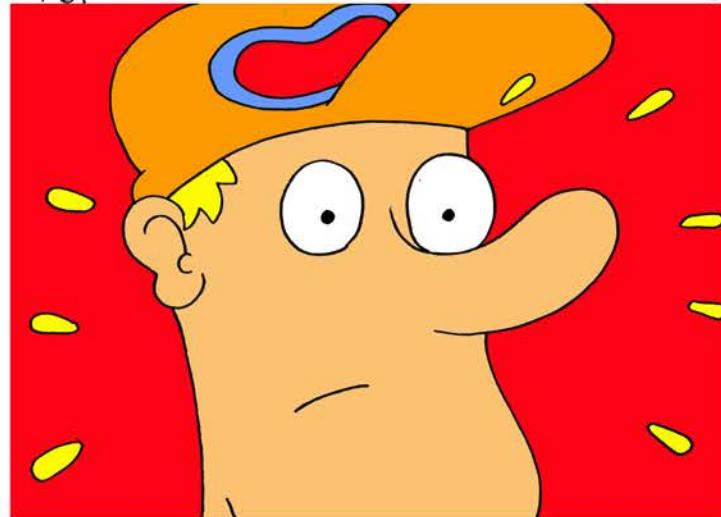

Billy snatches the box of stuff away sending the cat flying

The cat rolls into the street as he holds his stuff up defiantly

Angrily, he slaps a fresh full size cap back on his head, it is inferred that he now changes into full size clothes from here (in cartoon logic)

CLOSE UP: Billy's face...SHOCK, he has noticed an imminent cat-astrophe!

The cat is now preening itself casually in the street as a fancy car with a golden high heeled shoe hood ornament is approaching at speed. Billy runs out to save it...

Billy manages to snatch up the cat just in time...

...but the high heeled shoe hood ornament caughted him in the groin as the car screetches to a halt.

The window of the car rolls down.

STEPH

Are you per chance...(checks notes) Mr William Bungus?

BILLY

(with a groan) yes...

STEPH

Get in, I have news concerning your uncle...Edwin Bungus...

Billy starts saying...

BILLY

But I don't have an uncle Edwwwwwwhaaaaeerd...

Before Billy can finsih his sentence he is pulled into the car as it speeds away

INT: STEPH SWINDLES LIMOUSINE.

STEPH

...Hello William, my name is Stephanie Swindle and I am an attorney at Swindle, Sneaky and Snatch. I enquired before about your uncle...Edwin Bungus...?

BILLY

...Well you must mean my uncle Eddy. My Mum told me they once caught him running down the street chasing a monkey in his underpants. Apparently he was trying to get them back...

STEPH

Yes, the very same. Well I must regretfully inform you that he has passed on and he has left all his worldly possessions to the sole living member of the Bungus family...

BILLY

Woah! Well if I meet another Bungus' I will be sure to tell them...but good luck...Thanks for the drink.

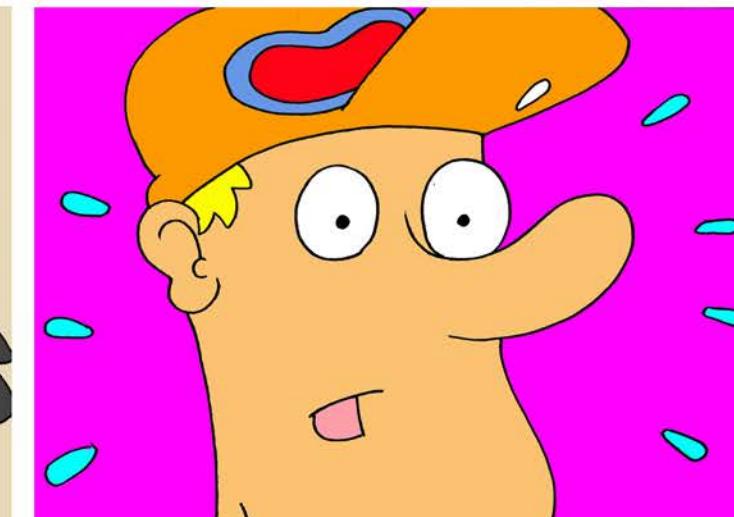

Billy goes to get out of the car

Steph rolls her eyes impatiently

STEPH

It's you Billy. You are the sole heir of Edwin Bungus' estate.

BILLY

ME!? But I hardly knew him...well what does this mean...?

STEPH

You are now the proud owner of his miniature Yak sculptures, his large collection of exotic smells...and the deeds to Bungus Tower

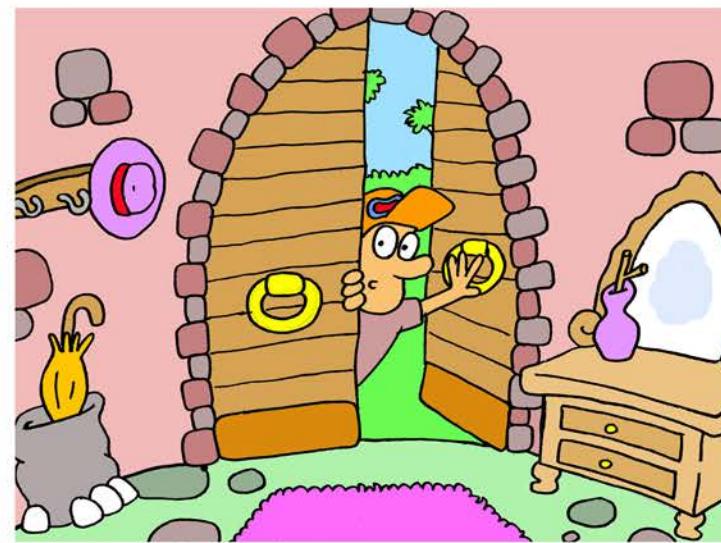

BILLY

um...how about a date...?

STEPH

A smile spreads across Billy's face. Absolutely not, I would never date someone with a collection of smells. Good day! Driver...away please!

BILLY

Um...hello...is anybody there...!?

INT: Cupboard of exotic smells

Billy opens the cupboard door, and is curious about all the bottles lining the shelves.

He takes one off the shelf...

...and removes the lid releasing an awful stench...

He reads the label...

BILLY

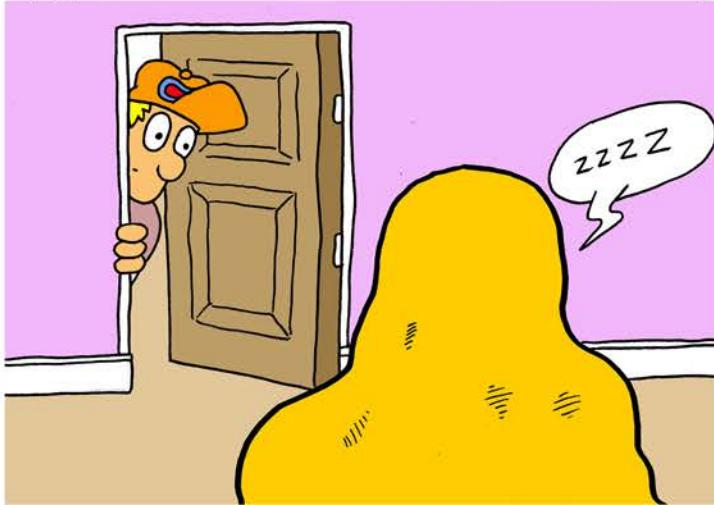

(to himself) Must be Uncle Eddy's collection of exotic smells...

BILLY hears a snoring sound

Billy follows the noise...to see where it is coming from

He peers around the door of the room where the snoring is coming from, there appears to be someone asleep under a dust sheet...

...then checks the list of things left to him by his uncle and sees the name 'Aunt Betty'...

He pulls off the dust sheet and discovers an old lady, who continues to snore...

He gives a cough to wake her and they both scream, startled by each other...when she stops screaming she snaps...

AUNT BETTY

Who the devil are you...? and why do you smell like that???

BILLY Um...I'm Billy Bungus, I just found out I own this place...

AUNT BETTY

A Bungus hey...? Well clean up around here why don't you, it's dustier than an Egyptian sand box... oh and be a dear...

CLOSE UP OF PLUG HOLE:
A strange green glow appears...

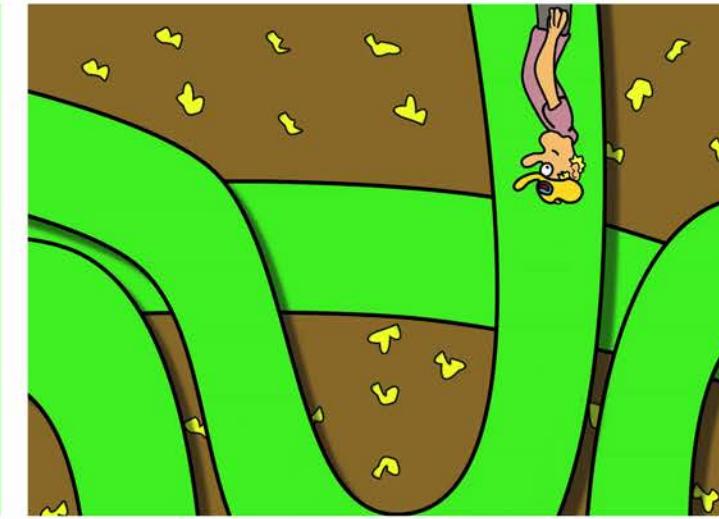

...the glow grows stronger...

BILLY stretches and transforms as he is sucked into the plug hole, his clothes also get sucked in, wrapping around him as his body becomes distorted then re-assembled.

Billy slides towards the camera as though in a water slide

Billy travels back and forth through various pipes...

BILLY

Prawn Paul jumps onto the table:

Marcel, read back that transcript...

CUT TO FRENCH MAN IN THE CORNER READING BACK

MARCEL

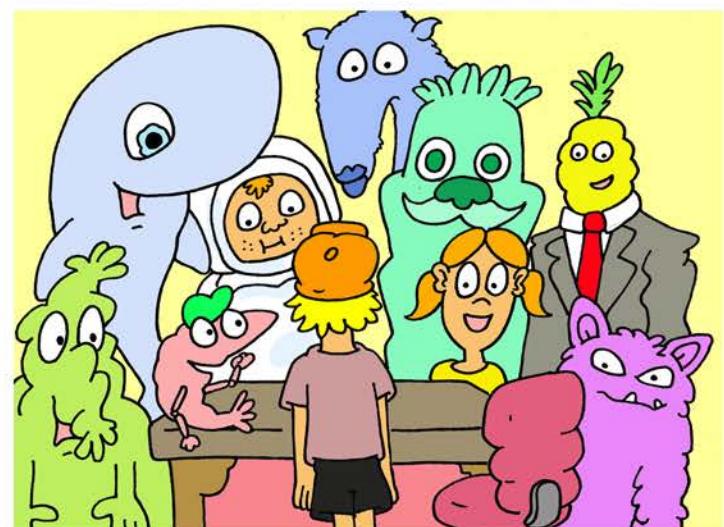

Crazy Professor...ahahaha....in absence of a town's mayor, I must assume leadership of Bungusland...unless that is, and I highly doubt it, a member of the Bungus family 'appens to slide out of that drain.
